# OUTDOOR ADVENTURE

AN EXHILARATING MULTI-ACTIVITY ADVENTURE,  
SPECIALLY DESIGNED FOR NATURE LOVERS

Designed for maximum adventure, this experience takes place in an area of unspoiled tropical forest where scenic beauty and rich ecological habitats create a true tropical paradise.

Only by leaving the “civilized” world can one truly appreciate the pristine beauty and immeasurable vastness of the Mexican outdoors. The beautiful scenery, spectacular sights and incredibly varied flora and fauna you’ll encounter while hiking and riding mules through the sub-tropical forest makes our Outdoor Experience the experience of a lifetime.

This thrilling adventure brings out the child in all of us. We’ll journey to the heart of the Sierra Madre, where you’ll learn a variety of wilderness techniques, splash through streams, rappel through waterfalls into natural river pools, and soar 200 ft above the ground over the jungle foliage on a 1000 ft zip line! Don’t miss the opportunity to discover and explore the extraordinary bio-diversity hidden under the canopy of the jungle.
