CANOPY ADVENTURE PARK

FAST, FUN & EXHILARATING, OUR CANOPY ADVENTURE
FINALLY BRINGS DREAMS TO LIFE

Feel the rush of adrenalin pump through your veins as you whoosh from platform to platform, 90ft (27 meters) above the tropical forest floor! A series of thrilling zip lines gives you maximum opportunity to marvel at our stunning, lush setting as you effortlessly traverse above huge tropical trees, wild orchids and a diversity of native birds and reptiles.

Hanging bridges built into treetops are reminiscent of the Swiss Family Robinson treehouse! Not to mention our own Tarzan Swing for you to try! You also have the unique opportunity to rappel at the end of your adventure!

Safety is our top priority! All of our guides have been extensively trained and we insist on having only the best equipment with not one, but two safety ropes for your added security.

Our private Canopy Reserve is set high in the remote, verdant wilderness of the Sierra Madre, to which roundtrip transportation is included. There has never been a more exciting way to explore the depths of the tropical forest!
