DOLPHIN SWIM EXPERIENCE

A ONCE-IN-A-LIFETIME OPPORTUNITY FOR YOU AND YOUR FAMILY TO MAKE A CONNECTION WITH THESE TRULY REMARKABLE CREATURES

Our Swim Experience gives you a chance to talk, touch, play and swim with our gentle and exquisite bottlenose dolphins. Dolphin Adventure is home to more than 25 of these amazing marine mammals.

The Dolphin Swim Experience begins with an interactive presentation which includes a brief audio presentation on dolphin characteristics, how to use hand signals and positive reinforcement to communicate with your dolphin and various safety guidelines.

Next, you and your group of no more than 8 guests head to our Dolphin Lagoon where you'll wade into our shallow clear waters to start your exclusive dolphin experience. Here, you will meet and play with a dolphin for 30 minutes, getting to know each other through hugs, kisses, rubdowns and, ultimately, a one-on-one swim together and exciting belly ride!

Total program time is approx 60 minutes including orientation. Group sizes are kept small to ensure that you have a very personal experience. We recommend that you bring extra money for souvenirs and photos.
